

# 2017-2020 NGJA/NCAA Interpretations Update to the Rules November 20, 2017

**Dean Schott**  
**National Technical Vice President**  
**National Gymnastics Judges Association**

The NCAA has asked the NGJA to provide evaluations for new elements and sequences. The values of these elements are posted in this document.

New elements are submitted throughout the year, so judges will need to refer to this document at NGJA.org on a regular basis to ensure you have the latest interpretations. The interpretations document will identify changes in the following manner:

- \*\*\* will indicate when skills have changed or new skills have been evaluated so as to be more easily identified
- When possible, the interpretations will include a digital picture or a link to a video of those skills evaluated on these pages

In Addition, there are specific areas noted in this document that are important for NCAA Judges to be familiar with and are referenced in the 2017-18 NCAA Men's Gymnastics Rules Modifications document.

All Judges officiating an NCAA Competition need to review in detail the 2017-18 NCAA Men's Gymnastics Rules Modifications document.

If you have additional questions on the rules, please [click here](#) to e-mail those to Dean Schott, NGJA NTVP.
