

To Whom It May Concern,

I am writing this letter of recommendation for the Jerry Donahue NGJA Judges for Life Award on behalf of George Krenk. George has been judging for 30+ years and is a vital part of the community. Not only has he judged numerous USA Championships, Olympic Trials, international competitions, junior nationals, and state & regional competitions, but he is also actively involved in the Special Olympics.

George is a true advocate for our sport in the way that he presents himself to the coaches, judges, athletes, and parents. He is always willing to talk with them, present at workshops and clubs, attend virtual meetings, provide analysis, etc. He is always the first person to step up and the last person to complain.

He is someone that I truly respect and have leaned on for mentorship during my judging career. I would not be the judge I am today without him. I have spent countless hours on the phone with him, sending him emails, and utilizing him for special tasks. He has the utmost integrity and comes prepared for every assignment. I have never had to worry about him making poor personal choices or judgements.

I strongly believe that George is the ideal candidate for this award and hope that this letter helps express how well he has served our community. If there is anything else I can do, please do not hesitate to ask.

Warmest Regards,

Andy Brown
