Gymnastic Coach

Dear Bob:

I thought I would correspond with you to further clarify our conversation in Philadelphia this past weekend. I believe the points we covered were as follows:

1. That the N.G.J.A. would supply nationally certified judges for the N.A.I.A. 1971 Championship Gymnastic Meet.
2. That this service would be provided within the budget limitations of the N.A.I.A.

I think this service will catch on throughout the nation.

Sincerely,

Bill Roetzheim
President N.G.J.A.
