NGJA paid $\frac{1}{2}$ of expenses for Sasvary and Roetzheim.
2. NCAA new two judges per event system will hurt the NGJA. Local associations will suffer the most for years to come. Hoping that NCAA will reverse its decision on this subject by the end of 1976 season.
3. FIG Course open to all National Card holders will be held in Chicago in February. Cost will be approximately \$ 100.00 which should be equally shared by judges and associations. Reason for high cost: two FIG Technical Committee member must be present. NGJA must pay for the expenses of one member. Further information on the Course will be distributed by the Directors.
4. Reported on the 1st International Symposium on Biomechanics.
